ITEM 2. Mr. Kenneth Cain

In Mr. Cain's absence, Mr. Ellis further explained Mr. Cain's initial request for the Board of Commissioners to hear his appeal of an assessed motor vehicle tax value. However, Mr. Cain called and spoke with Mr. Ellis earlier in the day to extend his regret for not being available to attend the meeting and expressed his reconsideration of the assessed tax value.

Upon a motion by Commissioner Smith, seconded by Commissioner Dowless, the Board unanimously approved Mr. Ellis' recommendation and maintain the existing value.
