To obtain a tattooing permit, a person must apply to the Bladen County Environmental Health Department. Upon receipt of the application, the Bladen County Environmental Health Department shall inspect the premises, instruments, utensils, equipment, and procedures of the applicant to determine whether the applicant meets the requirements for a tattooing permit set by the State of North Carolina. If the applicant meets these requirements, the Bladen County Environmental Health Department shall issue a permit to the applicant. A permit is valid for one year and must be renewed annually by applying to the Bladen County Environmental Health Department for a permit renewal. **The completed application must be submitted to the Bladen County Environmental Health Division at least 30 days before commencement of operations.**
