5. Written Description of Request – Answer all the questions under this section (attach additional pages as needed).

A complete application for any map amendment shall state in detail how the proposed amendment is consistent with County's Comprehensive Land Use Plan and other officially adopted plans that are applicable. The application shall also give detailed evidence that the proposed amendment is in the interest and will benefit the general public and not solely be of benefit to the applicant; that the uses within the proposed zoning district are similar or comparable to the uses in the district as currently zoned, or that none of the uses permitted in the proposed zoning district may potentially adversely affect property values or the health, safety, morals, or general welfare of the residents of the surrounding area.

The Planning Board will review the request for rezoning and make a recommendation to the County Board of Commissioners whether to approve or deny the request. The Board of Commissioners may consider the following when deciding: The size, physical conditions, and other attributes of any area proposed to be rezoned. The benefits and detriments to the landowners, the neighbors, and the surrounding community. The relationship between the current actual and permissible development and the development permissible under the proposed amendment. Why the action taken is in the public interest. Any changed conditions warranting the amendment.

A) Describe how the proposed amendment is consistent with the Comprehensive Land Use Plan.
