In accordance with NCGS 153A-304, the Bladen County Board of Commissioners has determined that the proposed consolidation of the Tobermory Fire Service District and Tar Heel Fire Service District meets the following requirements:

1. The districts are contiguous, or are in a continuous boundary;
2. The services provided in each of the districts are substantially the same;
3. Due to the designated ISO rating currently assigned to the Tar Heel Fire District, the residents in the existing Tobermory Fire District will, at a future date, benefit from a reduction in the cost of property insurance premiums.

Respectfully,

Rodney Hester, Chairman

Tar Heel VFD Proposed Fire District
